Dear Sir:

With reference to the Information Disclosure Statement, Form PTO 1449 and references submitted to the U.S. Patent Office on March 8, 2001 and June 12, 2001, Applicant encloses the Japanese Office Action and a partial English translation, which cited the Japanese references listed on the above-referenced Form PTO-1449. The Examiner is requested to make these documents of record.

The information contained in this Information Disclosure Statement under 37 C.F.R. § 1.97 is to the best of my knowledge and is not to be construed as a representation that: (i) a complete search has been made; (ii) additional information material to the examination of this application does not exist; (iii) the information, protocols, results and the like reported by

third parties are accurate or enabling; or (iv) the above information constitutes prior art to the subject invention.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing 39303-20031.00. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,
